SECURITY:

Work is unclassified. Reports are classified SECRET.

The association of the sponsor with the work being produced under this Contract is classified **CONFIDENTIAL**. This classified information and any other classified information which may be specified above, will be divulged only on a need-to-know basis and then only to those who have been authorized in writing by the sponsor to have access to classified information. Correspondence originated by you which contains the name and address of the Contracting Officer shall be stamped with the classification of **CONFIDENTIAL**, unless such correspondence contains data of a higher classification in which case it shall bear the same classification as such data.

In the event any question may arise during the preliminary phases of the work and/or research concerning the security of the technical aspects i.e., security classification of various component parts and/or related reports connected thereto, the Technical Representative of the Contracting Officer is authorized to furnish security guidance during this interim period. This is only to be considered an authorized expedient and efficient means of resolving technical security problems by the Technical Representative of the Contracting Officer on the spot and is not to be construed as a waiver of the Contractor's responsibility to request formal written notification and/or authorization from the Contracting Officer prior to effecting any changes in over-all security classification of the contract, or item and/or reports being developed thereunder or the Contractor's Security Requirements, as agreed.

REPORTS:

a) Technical

A final report, manuals, drawings and similar data as may be required under this contract, shall be submitted at such time and in such format as may be specified by the Technical Representative of the Contracting Officer or as may be otherwise set forth in this Schedule. In addition, Technical Progress Reports should be prepared in the manner normally practiced by you and submitted directly to the Contracting Officer's Technical Representative in accordance with the Representative's instructions. A copy of the Technical Progress Report should be mailed directly to the Contracting Officer.

b) Contract Status

A monthly contract status report as may be required under this contract, shall be submitted to the Contracting Officer not later than 15 calendar days after the close of the month covered by the report and shall include, among other things, the percentage of total performance of the contract completed and the percentage of total estimated or target cost expended as of the end of that month. Such report shall be in the format of Attachment A to the Contract. The Contractor shall send a copy of the report to the Technical Representative of the Contracting Officer. When this report indicates a deviation of 15 per cent or more from the Contractor's original projection of either monthly expenditures or performance goals, the Contractor shall recite reasons therefore. Failure to submit this report will result in delay in payment of invoices.
